An Open Letter to the St. Peter's Family:

The year 2020 has impacted each of our lives differently. We have our own "One Together" stories of how God has gifted us, built our ministries and our relationships. Our pledge participation, our involvements in ministries and our faith in continuing church mission have been sustained. Together we are "One Together" in Ministry and Service.

Each individual or family has received a pledge card for request of commitment to continue the progress and programs in 2021. Our 2021 appeal to you to support a balanced budget, to continue the core mission as a family of faith, and continue living our stewardship as Christians. Please review your pledge card, pray and choose to increase your pledge in response to God's call to us.

On Sunday, January 10, 2021, we will receive and bless all cards pledged. This will be held through our virtual service. You may mail your pledge information to St. Peter's Episcopal Church or notification at stpeterschurchhill@gmail.com.

The vestry and clergy are grateful and thankful to serve you.

Faithfully,

Ronald L. Carey
Senior Warden
